Conference Highlights

Nova Scotia Crime Stoppers is very pleased to host the **2010 Annual Training Conference in Canada!** Halifax has a history you can feel, with a colonial past evident on every street corner and a fascinating culture that has grown out of it. It's little wonder there are so many things to do in Halifax. The culture is yours to savour—with food, music and art shared by people from all over the globe. Join us for our fun night of a **Taste of Nova Scotia Ceilidh** featuring some of Atlantic Canada's best & unique entertainers! berthed on the Halifax Waterfront. **Partners & spouses** will enjoy an organized day of touring the south shore of Nova

Scotia. One of the stops on this outing is the town of Lunenburg, a UNESCO World Heritage sight and the home of Nova Scotia's most famous racing schooner, **The Bluenose**. This is an excellent opportunity to view some of Nova Scotia's most beautiful sites such as the towns of Lunenburg and Mahone Bay. We also have another outing planned for Annapolis Valley where some of Canada's finest produce is grown including grapes that make Nova Scotia wines some of the most sought after in this part of the world. Expect stops in Wolfville, with a view of the Bay of Fundy which records the highest tides in the world.

Delta Hotels

Let **Delta Halifax's** charm make you feel at home during your visit. Located in the heart of downtown, Delta Halifax is connected through an indoor walkway to our sister property, **Delta Barrington**, with easy access to Casino Nova Scotia and the World Trade and Convention Centre. Good times await you at the surrounding historic pubs filled with east coast music and fun-loving maritime atmosphere. All hotel reservations for CSITC 2010 will be made by the host at time of registration.

Registration

Online registration will be available early in 2010 at our conference website.

www.2010csitc.com

Please include travel arrangements so that we can make your accurate hotel reservations. At that time, we will also provide you with the option to book Halifax Airport ground
